Statement of the week

I try to follow our school and classroom rules.

Attendance

The ISEDOT (In School Every Day On Time) scheme continues this term. The children will earn a token for every week of punctual attendance. Tokens can be exchanged for items in the ISEDOT shop at the end of half term.

Remember: "Be On The Line At Ten To Nine!"

Belongings in School

The Lost Property collection can be found in the school hall. Please check through it and claim any mislaid possessions. Staff in school do their utmost to help children keep their belongings safe and organised. Name labels on things brought to school really helps with this.

School Photographs

St George's Day Celebration - Workshop for parents

During this term, the children will be learning about St George and working towards a performance piece, involving music, drama and art to celebrate St George. We would like parents to be involved in this project too and have arranged for artist and puppeteer, Lee Threadgold, to run a workshop for parents on Saturday 24 March from 10am to 4pm. Parents who come along to the workshop will have the chance to produce work for use in the production. Please complete and return the slip at the end of the newsletter if you are interested in taking part.

Head lice

A leaflet on dealing with head lice is available from school. Please collect one from the office when needed and follow the advice so that incidents of head lice in school can be limited and speedily dealt with.

Cake Sale

It will be a **Year Six** cake sale this Friday. Please would the parents and carers with a child in **Year Six** bring either homemade or shop-bought cakes or biscuits into school to sell on Friday.

The cake sale will be held in the school hall from 3pm.

Cakes cost 25 pence each. Don't forget the **Year Six** class will benefit from all the money raised from the cake sale.

Best wishes,

I would like to attend the St George workshop with Lee Threadgold on Saturday 24 March
